Dear Board Members:

As you are aware, Colt entered into Chapter 11 Bankruptcy June 14<sup>th</sup>, 2015. Due to this change in the financial status of the company, it has become necessary for us to review and eliminate some of the discounts extended to the membership of the association. Therefore, **effective October 31, 2015**, we will no longer be offering 10% discounts on Colt Historical letters or Colt Wares items. Our quantity discount policy, however, will remain in place.

These offers have been available to the CCA membership for a number of years. It is with sincere regret that we feel this change is necessary, but it is for the well-being of the company and for its ability to continue the legacy started by Sam Colt.

Sincerely,

A handwritten signature in blue ink that reads "Beverly Jean Haynes".
