## **The Swing Riders!**

Featuring father and son, Doc Blakely and Mike Blakely

During the trail drives of the Old West, veteran cowboys known as “Swing Riders” rode at the head of the herd, turned the cattle in the right directions, crossed obstacles, and reached destinations others dared not even imagine. In the spirit of the Swing Riders of old, Doc and Mike Blakely team up to produce a fast-paced show full of inspirational tales of leadership and authentic cowboy music in their foot-stompin’, barn-burnin’ style. Their old trail drive songs and fiddle tunes have earned them the official designation of The Swing Riders nationwide.

Doc Blakely, a rancher, writer, musician and humorist has appeared before audiences all over the world for more than 40 years. Mike Blakely, a rancher, musician, songwriter, and author of 19 western novels has performed all over the U.S. and in Europe. Since 1992, Doc and Mike have entertained audiences coast-to-coast and border-to-border with cowboy humor, toe-tappin’ fiddle tunes, and wild west ballads. They will leave you smiling all the way home.
