1. Billy Graham Museum and Library Tour with Lunch

www.billygrahamlibrary.org

The Billy Graham Library is unlike anything you have ever seen before. The Billy Graham Library is a public museum and library documenting the life and ministry of Christian evangelist Billy Graham. The 40,000-square-foot complex opened to the public on June 5, 2007. The library is located on the grounds of the international headquarters of the Billy Graham Evangelistic Association in Charlotte, North Carolina, a few miles from where Graham was reared. The library is styled after a dairy barn, with a mechanical "talking" cow, to reflect Graham's farm-based childhood. You will be touring the Library, Home place, and Memorial Prayer Garden. Comfortable shoes. You will also have time to visit Ruth's Attic Bookstore. Located inside the Billy Graham Library, you will enjoy browsing this unique bookstore for gifts.

Graham Brothers Dairy Bar is where you will relax for lunch*. The Dairy Bar is located inside the Billy Graham Library. Booths that look like stalls, whimsical cow-print tablecloths, antique milk cans and family photos create the unique ambiance of the Graham Brothers Dairy Bar. Available are fresh sandwiches or salads, and cookies. After lunch you may want to treat yourself a wonderful milkshake as a special treat.

* Additional information regarding the lunch menu will be posted on the CCA website <https://coltcollectors.com/convention/> under the tab "Thursday Tour".
